For Secretary to the Central Food Supplie

eedings of a meeting of the Central Food Supplies Committee held in the office of the Food Controller and Director of Civil Supplies in Mysore, Bangalore, on Saturday the 17th May 1919 at 8 A.M.

PRESENT.

Mr. K. R. Srinivasaiengar, Revenue Commissioner (in the chair)
Mr. A. Subramania Iyer, Inspector General of Police.
Mr. C. S. Balasundram Iyer, Chief Secretary to Government.
Mr. K. Matthan, Food Controller & Director of Civil Supplies.
Mr. W. C. Rose, Manager, Bank of Mysore.
Mr. Usman Khan, Merchant.
Mr. B. Muddukrishnappa, (Secretary).

1. Returns of stocks, exports and imports.

Read and recorded. Resolved that in future reviews may be sent up to Government and published for general information with the following details:--

1. Stocks in Government Depots.
2. Stocks in transit on rail or on steamer.
3. Action taken to import allotments.
4. Supplies issued to Districts through Government Agency.
5. Exports and imports during the month.
6. Any important points brought to notice by Districts.
7. Prices at which arrangements are made to sell food grains.
8. Arrangements made for special sales to poor people

and further resolved that permission of Government be obtained to prepare and issue these reviews monthly instead of weekly.

2. Requirements of rice, wheat, gram and pulses for

for June 1919.

Resolved that the Foodstuffs Commissioner may be requested to allot the following quantities:--

(1). 5,000 tons Burma rice - as supply of local rice and local ragi is going down it is very desirable that we should get as much ~~as~~ of imported rice as possible.

(2). 250 tons wheat (200 tons from Punjab and 50 tons Australian wheat from Bombay)

(3). 400 tons of Bengal gram from Punjab.

2. Mr. Usman Khan brought to notice that the ~~xxxxxxxxx~~ concession rates had given occasion for people to profiteer by selling at a higher rate part of the supply obtained by them at concession rates.

The Committee considered that in view of the fact tha Burma rice has gone up in price the concession rate may be reduced from 6 seers to 5½ seers a rupee in the cities of Mysore and Bangalore. (The Committee were further of opinion that as any concession rate tends to dislocate prices, it would be desirable in course of time to do away with the concession system. This concession rate is not in operation in any of the districts and it need not be introduced there at all.)
